## 'Batie' - Nebbiolo

**Region:** Piemonte - Barolo - La Morra

**Grape:** 85% Nebbiolo + 15% Barbera

**Alcohol Percent:** 13%

**Ageing:** 12 months french barriques.

**Taste:** The 2005 'Batie' has a rich nose of cherries, blackberry, violets, black licorice and truffles. It has rich, soft, deeply smooth long-lasting flavor in the mouth. It has an intense red ruby color with orange reflections, very open sweet-spiciness, with a grip of intensity that is counter balanced by a long smooth and velvety finish.

**Production:** 600 cases made.

This great wine paired with the rich and fruity Barbera, create a powerful combination that rivals the famous Barolo and Barbaresco wines, with the ability to improve for thirty years or more, with strong, bold flavors of cherry, leather, tar and flowers.
