Region: trentino - alto adige.

Alcohol Percent: 13%.

Ageing: 500 liter oak casks.

Production: 500 cases.

Description:

Made from 100% Lagrein grown in lower altitude vineyards in Alto Adige.

Lagrein is a late ripening varietal, the grapes were picked in early October.

Caldaro 'Spigel' Lagrein has an outstanding ageing potential. With low yields along with handcrafted winemaking techniques, this wine is of exceptionally high quality and a hallmark from the Caldaro cellar.

After a gentle malo-lactic fermentation, the wines age in 500 liter oak casks.

Dark red with a complex aroma of violets, nutmeg, vanilla, and strawberries. Well-structured with layers of flavor, depth and breadth. Full-bodied, ripe, juicy with a silky texture. Intense cherries, wild berries, ripe cranberries, and well integrated notes of oak unify in this wine of well-balanced structure, soft tannins and a velvety finish.

'Spigel' is an excellent wine which demonstrates Lagrein's potential to rank among the big-name grape varieties.
